NARRATIVE:

Hassan Hester is a sex offender with an extensive adult criminal history that began at the age of 21. His convictions include lewd or lascivious acts with a child, burglary, multiple petty thefts, DUI and several cases of unlicensed driver. He has served multiple state prison terms, the longest being a 32 month term for petty theft with priors. Hester was released from state prison to the supervision of the Los Angeles County Probation Department on January 31, 2016. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in February 2016 after he absconded from post release community supervision (PRCS). Hester qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for petty theft with priors is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
